

## EC Certificate

### Factory Production Control (FPC)

**1526-CPR-1090-1.0057.TÜVEESTI.2015.001**

In compliance with Council Regulation No 305/2011 of 9 March 2011 on the approximation of laws, regulations and administrative provisions of Member States relating to construction products (the Construction Products Regulation – CPR), as later amended, the following has been stated:

The construction product stated below is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan.

The Notified Body  
**TÜV Eesti OÜ - No. 1526 -**  
has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

**Placed on the market by**  
(Producer or its authorized representative)

**Nuia PMT AS**  
**Ettevõtluse 1, Karksi-Nuia, Viljandimaa**  
**69102, Estonia**

**Factory(ies)**

Ettevõtluse 1, Karksi-Nuia, Viljandimaa, 69102, Estonia

**Product**

**Structural steel components up to EXC 2 according to EN 1090-2, corrosion protection included**

**Intended use**

For structural use in all types of construction works

**CE-marking method**

ZA.3.4 acc. to EN 1090-1:2009+A1:2011

**Confirmation**

All provisions concerning the attestation of factory production control described in Annex ZA of the following standard(s) were applied:

**EN 1090-1:2009+A1:2011**

**Begin of validity**

(First issue date)

03.08.2015

**Validity till**

02.08.2018 connected to fulfillment of conditions specified in the Certification Report

**Period of validity**

This certificate remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the FPC itself are not modified significantly.

**Remarks**

To this certificate belong the welding certificate(s):  
1526-CPR-1090-1.0057.TÜVEESTI.2015.001-WC

**Place and issue date**

Maardu, 03.08.2015

Akrediteeritud PC018

## General provisions

This certificate is issued by the TÜV Eesti OÜ in recognition that the Management System operated by the Organisation was in accordance with the requirements of the Management System Standard / Normative Document at the time of the certification assessment.

Issue and retention of certification by TÜV Eesti OÜ is subject to the Organisation's compliance with the following conditions:

1. This certificate is not transferable.
2. This certificate is and will remain the property of the TÜV Eesti OÜ and shall be returned to TÜV Eesti OÜ on request.
3. The Organisation shall, upon reasonable request, provide safe access for the TÜV Eesti OÜ Scheme Manager, TÜV Eesti OÜ Assessors and Observers to the Works, office premises, erection site (as relevant) and other locations where work relevant to this certificate is being carried out – for the purpose of monitoring continued compliance with the requirements of this certification.
4. The Organisation shall advise the Scheme Manager, in writing, of any changes including – ownership, organizational structure, location, scope of work or service and any significant changes to the approved management system.
5. This document certifies that the Management System addresses all the requirements of the Management System Standard / Normative Document. TÜV Eesti OÜ does not however accept responsibility for any breach of relevant regulations, legislation or contract conditions by the certified Organisation.
6. The Organisation is permitted to use the TÜV Eesti OÜ logo (as exhibited on the certificate) on documents used to indicate TÜV Eesti OÜ certification of the management system identified on the certificate. The logo shall not be used on transport vehicles or on products/steelwork.
7. Issue and retention of this document is subject to payment of an annual certification fee. In addition, the certified Organisation shall provide access for regular surveillance audits and full management system re-assessment every third year. The fees for these services are reviewed and approved in the Contract.
8. The Organisation shall comply with the TÜV Eesti OÜ regulations and all legislation relevant to the Scope of Certification.
9. The regulations of TÜV Eesti OÜ General Conditions for the Certification of Management Systems are applied in their valid version.

## Welding Certificate

**1526-CPR-1090-1.0057.TÜVEESTI.2015.001-WC**

In compliance with EN 1090-1:2009, table B.1, the following has been stated:  
The manufacturer has produced evidence that he fulfills the requirements of the European standard EN 1090-1 for the execution of structural steel components.

This Welding Certificate is an annex to the EC-Certificate of the Factory Production Control (FPC)  
1526-CPR-1090-1.0057.TÜVEESTI.2015.001.

This Welding Certificate is only valid in conjunction with the aforementioned EC-Certificate in the scope of the Construction Products Regulation or CPR.
