General provisions

This certificate is issued by the TÜV Eesti OÜ in recognition that the Management System operated by the Organisation was in accordance with the requirements of the Management System Standard / Normative Document at the time of the certification assessment.

Issue and retention of certification by TÜV Eesti OÜ is subject to the Organisation's compliance with the following conditions:

1. This certificate is not transferable.
2. This certificate is and will remain the property of the TÜV Eesti OÜ and shall be returned to TÜV Eesti OÜ on request.
3. The Organisation shall, upon reasonable request, provide safe access for the TÜV Eesti OÜ Scheme Manager, TÜV Eesti OÜ Assessors and Observers to the Works, office premises, erection site (as relevant) and other locations where work relevant to this certificate is being carried out – for the purpose of monitoring continued compliance with the requirements of this certification.
4. The Organisation shall advise the Scheme Manager, in writing, of any changes including – ownership, organizational structure, location, scope of work or service and any significant changes to the approved management system.
5. This document certifies that the Management System addresses all the requirements of the Management System Standard / Normative Document. TÜV Eesti OÜ does not however accept responsibility for any breach of relevant regulations, legislation or contract conditions by the certified Organisation.
6. The Organisation is permitted to use the TÜV Eesti OÜ logo (as exhibited on the certificate) on documents used to indicate TÜV Eesti OÜ certification of the management system identified on the certificate. The logo shall not be used on transport vehicles or on products/steelwork.
7. Issue and retention of this document is subject to payment of an annual certification fee. In addition, the certified Organisation shall provide access for regular surveillance audits and full management system re-assessment every third year. The fees for these services are reviewed and approved in the Contract.
8. The Organisation shall comply with the TÜV Eesti OÜ regulations and all legislation relevant to the Scope of Certification.
9. The regulations of TÜV Eesti OÜ General Conditions for the Certification of Management Systems are applied in their valid version.
